

PARKING

When I arrive to the theatre with my family, we will park in the parking lot.

If the main parking lot is full, I may need to park farther away and walk across the street.

MAIN DOORS

After I leave the car, I will go through the main lobby doors.

The doors can sometimes be heavy, so I might have to have an adult help me.

WAITING IN THE LOBBY

After I go through the front doors, I will be in the main lobby.

Sometimes the lobby may get loud and have an echo, so I might have to cover my ears if it gets too loud.

BOX OFFICE

Once I go into the lobby, I have to go to the box office. There will be a person behind the counter who will give me a ticket to see the show.

BATHROOMS

If I ever need to use the bathroom during the performance, they are located right next to the box office.

CONCESSIONS

There will be a concessions stand where I can buy snacks if I want.

It will be open before the show and during the intermission.

QUIET AREA

During the performance, if I ever get overwhelmed I know that I can go to the quiet area with an adult so I can relax.

USHERS

Once I get my ticket, I will head over to the ushers. They will take my ticket, tear the end off, and hand it back to me.

Once I get my ticket back from the usher, I will go into the theatre and find a seat.

SITTING

I will enter the main theatre and I will be given a program by another usher.

Once I get my program, I will find a seat in the theatre. I will always be sitting next to the people I came with, but I might sitting next to strangers.

LEAVING

At the end of performance everyone will clap for the performers and then it will over.

It may be crowded when I am leaving, but I will make sure to stay with my family so I don't get lost.
